Eduardo Nicolaievsky, DDS

Sponsored by

The Medical Educator Consortium

Dear Colleagues, Alumni and Friends,

The Medical Educator Consortium together with Dr. Eric Carlson, Dr. James McDonald and Dr. Eduardo Nicolaievsky will conduct a Festschrift in honor of Dr. Robert E. Marx for his recognition and tremendous contributions to academic oral and maxillofacial surgery during his 30+ year career. As you are probably aware, Festschrifts are typically conducted around the time of the 70th birthday of the honored guest. Dr. Marx will turn 70 years of age on December 15, 2015.

On Saturday December 12, 2015, there will be an academic day symposium which will include lectures by distinguished members of our specialty. This symposium will provide a one day update in the contemporary practice of oral and maxillofacial surgery. In particular, topics related to tumor ablation and the science of bone graft reconstruction will be discussed in the context of pathology and congenital/acquired defects of the oral/head and neck region. A dinner in honor of Dr. Marx will occur on Saturday evening December 12, 2015 at the Biltmore Hotel, Coral Gables, FL.

We hope you will join in attending this auspicious event to celebrate Dr. Robert Marx and his contributions to our specialty.

Looking forward to seeing you in Miami in December.

Sincerely,

Eric R. Carlson

James J. McDonald Jr.

Eduardo Nicolaievsky

Symposium Description

This symposium will provide a one day update in the contemporary practice of oral and maxillofacial surgery. In particular, topics related to tumor ablation and the science of bone graft reconstruction will be discussed in the context of pathology and congenital/acquired defects of the oral/head and neck region.

Objectives

At the conclusion of this course, the participant should be able to:

- Discuss the use of growth factors in the enhancement of bone grafts of the facial skeleton;
- Discuss novel strategies associated with reconstruction of the facial skeleton;
- Discuss the pathophysiology and treatment strategies associated with medication related osteonecrosis of the jaws (MRONJ);
- Discuss the nomenclature and surgical management associated with odontogenic cancers.

Accreditation

The Medical Educator Consortium is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
