

UNIVERSITY OF MIAMI MILLER SCHOOL OF MEDICINE  
Division of Oral & Maxillofacial Surgery

Presents

**2017-2018 WEBINARS:**  
**Grand Rounds in Oral & Maxillofacial Surgery**  
OCTOBER 2017 - APRIL 2018

This unique webcast series is designed for participants to re-live the rich learning experiences of residency without its demands and pressures. This series of seven webcasts will present actual recent cases admitted to the World renowned University of Miami/Jackson Memorial Hospital busy oral and maxillofacial residency/fellowship program. All the nuances, co-morbidities, and consulting services recommendations will be addressed within the realism of each case. It is planned to be an exciting monthly program of real cases spanning the full scope of today's oral and maxillofacial surgery including complex dental implant

cases, maxillofacial trauma, TMJ cases, orthognathic surgery planning and surgical techniques, infections, obstructive sleep apnea, emergency cases, and more.

Each 1 and 1/2 hour webcast will present 5 to 7 cases and be open to questions sent into the moderator. One hour of CME credits for each pre-registered participant will be offered. For attendees requesting CME credits a short pretest, posttest, and brief course evaluation must be completed.
