Attendance is limited to healthcare professionals.

Takeda acts in accordance with the PhRMA Code on Interactions with Healthcare Professionals. The PhRMA Code states that inclusion of a Healthcare Professional's spouse or guest at an education program is not appropriate. Your support of these ethical guidelines will help to ensure a high quality learning environment for all participating Healthcare Professionals.

The personal information you provide may be shared with Takeda, its affiliates, and a third party for the sole purpose of completing your registration for this program and as required by law.
